

Simplify Being An Employer With ChamberCare Business Resources

Your Certified PEO For Worry-Free HR, Benefits, Payroll and Compliance All In One Place.

Running a business takes courage and a lot of hard work. You make important decisions every day. Choosing a professional employer organization (PEO) solution is a wise decision that gives you an easier, more affordable way to add HR expertise and support for your business.

ChamberCare Business Resources is a collaboration between the Indiana Chamber of Commerce and Human Capital Concepts (HCC) to provide business owners with HR support and solutions that remove employment headaches, and the day-to-day HR processes, paperwork, and potential pitfalls that can challenge business owners that distract them from focusing on growth.

HCC Is A Better PEO.

HCC is "sleep insurance" for your business.

- Manages the responsibilities and risks of being an employer, on your behalf.
- Provides accountability to employment tax liabilities as an IRS certified PEO.
- Reduces the complexity of understanding and adhering to administrative and regulatory compliance situations and statutes.
- Delivers personal commitment, availability, and expertise with a dedicated team of experts for your business.
- Enables you to focus on attracting, retaining, and optimizing the people that make your business great.

ChamberCare Business Resources Is A Better Choice.

As a member of the Indiana Chamber of Commerce, you can choose a high-quality, affordable health plan from Anthem administered by Human Capital Concepts, as your certified PEO. Together, Anthem, the Indiana Chamber and HCC have teamed up to bring you a better choice for your business.

ChamberCare Business Resources can help your employees:

- Get access to high-quality, affordable health plan options through Anthem.
- Save money with lower monthly payments.
- Enjoy better benefits and a better overall HR experience.

Plus, you'll get perks from Anthem and the Indiana Chamber.

Through Anthem, benefits include:

- **24/7 NurseLine** to talk to a registered nurse who can answer questions anytime.
- **Future Moms** helps moms-to-be make healthier decisions during pregnancy.
- **MyHealth Advantage** helps employees with actions for better health and cost savings.
- **ConditionCare** gives employees access to dietitians, nurses, and more for better health.
- **Behavioral health** helps employees with depression, anxiety, stress, and abuse.
- **My Health Dashboard** provides personalized content for clinical and wellness programs.
- **LiveHealth Online** is 24/7 telemedicine for video visits with healthcare professionals.
- **Autism Spectrum Disorder Program** supports employees raising a child with autism.

As a member of the Indiana Chamber, you get access to:

- **Free helplines.** Talk to Chamber experts about things like HR, OSHA, workforce training grants, and internships.
- **Free business research.** Take advantage of customized sales leads in the Chamber's Business Research Center.
- **Free policy issue conference calls.** Stay up-to-date on the latest state and federal laws affecting small businesses.
- **Discounts.** Significant savings on business education conferences and seminars, regulatory compliance publications, and other programs.
- **Advocacy.** As the state's largest broad-based business advocacy organization, we provide successful legislative influence and action for our members.
