SPONSOR PROSPECTUS

# FUTURE OF INDIANA'S WORKFORCE SUMMIT

## SUMMIT INFORMATION

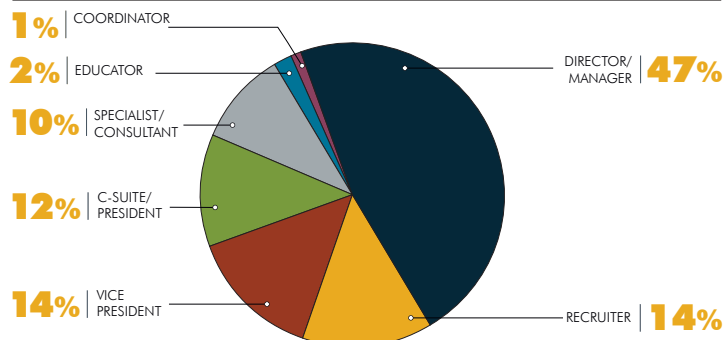

Strong public programs and leadership from the private sector are the essential ingredients for creating a highly skilled workforce. The Future of Indiana's Workforce Summit will focus on the current happenings in our state as well as what needs to happen moving forward for Hoosier businesses to be successful. This summit will work to ensure the quality of our workforce and improve the state's economic position at home and around the globe. Experts from various industries and government will share insights and information about building a talent pipeline of workers, creating employer-led collaborations to address specific workforce needs, using data to make decisions about training and hiring, and developing programs that let people learn new skills while gaining experience on the job.

## WHY PARTICIPATE?

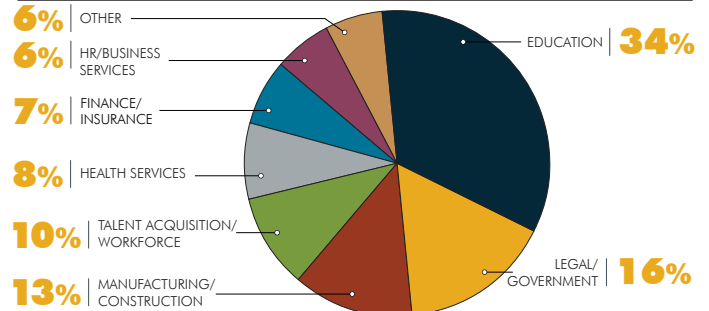

With an expected attendance of over 100, your company will have the opportunity to connect with your target audience during various dedicated times to the expo. Sponsors enjoy ample time for interaction with attendees and are the overall success of the summit. We welcome your organization's participation and look forward to generating an atmosphere where you can effectively position your brand and your organization in front of new prospects and targets to ultimately generate new customers.
